

TRAINING CALENDAR 2018

Support your client

Supporting your client through child protection

11 May 9.30am-4.00pm
Melbourne CBD

To book please click [here](#)

This training assists support workers to understand laws around child protection. It explores:

- The role of child protection and the Children's Courts.
- How to support victims of family violence.
- Practical tips on how your client can communicate their child's needs to lawyers, other professionals and to the courts

Supporting your client through family law

20 June 9:30pm-4:00pm
Melbourne CBD

To book please click [here](#)

This training builds support workers' capacity and confidence to guide and support their client through the family law system. We will explore:

- Parenting agreements post separation
- Urgent children's matters
- Property (including debt)
- Interaction between child protection, family law and Intervention Orders

Supporting your client through the legal system

2 August 9.30am-4.00pm
Melbourne CBD

To book please click [here](#)

This training provides family violence and community workers with an integrated and consistent method of identifying and responding to issues arising from family violence and relationship breakdown. You will learn to:

- Identify legal issues
- Inform clients of next steps
- Client referrals
- Prepare clients for each stage in the legal process

* All participants will receive a tailored workbook and a critical legal issues map that provides guidance to the legal process.

Supporting your client through child protection
